

David G. Cook Scholarship 2022-2023 Application

The David G. Cook Scholarship was founded by David and Kathy Cook to promote the building industry in which they were successfully involved for 50 years. In 2017, David, who was a longtime member, past president, and honorary lifetime member of the Eastern Ridge Home Builders Association, developed an illness which was later determined to be a terminal brain tumor. In honor of his involvement in the Association and his love for the outdoors, Dave and Kathy introduced the “David G. Cook Shooting for Scholarships” clay shoot and scholarship fund.

The David G. Cook Scholarship is available to building and trades students who have already completed one year of secondary education and is not available to those currently enrolled in high school. The applicant must live or work in Fond du Lac, Dodge or Green Lake Counties.
